

Deep Freeze 2012 Permission Slip

I, the undersigned, give my child permission to participate in all activities included in Rockingham Christian Church's trip to Deep Freeze @ Camp Berea. I give the RCC Youth Leaders permission to provide transportation for my child during this retreat. I understand the nature of the activities included during the retreat, and I release RCC and its leaders from all liability, other than normal supervision and care.

In case of an accident of any kind, I will not hold Rockingham Christian Church or its leaders liable. In the case of an emergency, I understand that the RCC Youth Leaders will try to contact me immediately. If I am not able to be reached, I give the leaders permission to have my child treated at a medical facility.
